

Primal 1 Baseball – Success Session

What is a Success Session?

A **Success Session** is your introduction to Primal 1 Baseball's training experience.

- **Length:** 1 hour+
 - **Cost:** \$45
 - **Focus:** Walkthrough of all our training services:
 - Hitting Development
 - Throwing & Pitching Programs
 - Performance Training (strength, speed, mobility)
 - **Goal Setting:** We work with you to set clear, measurable goals for your baseball development.
 - **Commitment Clarity:** We want you to understand exactly what you're signing up for and what to expect moving forward.
-

How is This Different from an Evaluation?

- **Success Session:** Introduction, program overview, facility walkthrough, and goal setting.
 - **Evaluation:** A deep dive into **one specific skill area** (hitting, pitching, or performance). Full data is collected using our advanced tools.
 - **Cost:** \$150 (included **at no extra cost** when you officially sign up for training).
-

Why Schedule a Success Session?

- Get clarity on your athlete development path
 - Meet the coaching staff and learn our methods
 - Understand our training structure and what you're committing to
 - Leave with a clear plan and next steps
-

What Happens Next?

1. Book your Success Session (**\$45**).
 2. Discuss your goals and select your training path.
 3. After signing up, receive your **full evaluation** (included) OR purchase separately (\$150).
 4. Begin your personalized training journey.

FAQ

Q: Why isn't the Success Session free?

A: We dedicate over an hour of personalized time to explain our systems, answer questions, and guide your athlete's plan. It's a professional service designed to save you time and help you make informed decisions.

Q: Can I skip the Success Session and go straight to an Evaluation?

A: We strongly recommend the Success Session first, so you fully understand our programs and what you're committing to. Evaluations are included after sign-up or are available separately for \$150.

Q: Do I need an Evaluation to start training?

A: No. Your Success Session helps determine your best path forward. If you sign up for a training package, we include a full evaluation at no additional cost.

Q: How soon can I start training after the Success Session?

A: You can typically start as soon as the next available training session after signing up.
